

TOWN OF WARREN PUBLIC HEARING
EAST WARREN SCHOOL HOUSE PARK & RIDE GRANT
TUESDAY, MARCH 23, 2010
7:15 PM
WARREN MUNICIPAL BUILDING

The Warren Select Board will be holding a public hearing on the East Warren School House Park & Ride Grant that the Town received. The proposed Park & Ride Grant is to be used to create a Public Park & Ride located at the East Warren School House, that owned by The Town of Warren, that currently the Town leases to Rootswork Inc. that sub leases to other business's.

The proposed site for the Park & Ride has been reviewed by the State who looks at the various sites for constructability, accessibility, affordability and location. This location was viewed as a good gateway position, with a store and outside phone by the AOT. The objective is to reduce miles driven by encouraging carpooling. The Warren Select Board encourages all interested parties to attend this meeting.

Dated this 12th day of March 2010
