

## Warren Historical Society

### Minutes of August 1, 2018 Meeting

Present: Leon & Ellen Bruno, Zelda Lavanway, Rachel McCuin, Cindi Jones and Jack Miner

The meeting was called to order at 5:10pm by President Leon.

Cindi gave the Treasurers Report: \$3530.54

Leon said that the chair that is in the barn came from Dr. Shaw's home and was donated by Vic and Ann Dumas who supplied a copy of Dr. Shaw's bio that appeared in the Valley phone book a few years ago.

Leon suggested that we take pictures of the items Ken Blair donated that are currently in the attic of the barn so that they can be displayed on the digital picture frame.

Cindi indicated that there is a lot of stuff from the Grange behind the upstairs stage of the Town Hall that needs to be sorted out. We need to clean the new display cases and Leon said he would try to find some keys for the cases.

Cindi said she would contact the *Valley Reporter* about doing an article about the WHS and all our activities with pictures, hopefully. It would be nice to promote an open house with the article.

Since our meeting, Cindi has worked with the Warren School to schedule a time to unroll the flag which has been stored under the stage and fold it to a size that will fit in the new display case in the barn. We will meet at the school at 1:00pm on Friday, August 10<sup>th</sup>.

Jack will make a framework to hold the 20 "flip" display frames Leon got to display our paper maps, posters and photos.

I did some research on the mystery object that Ken Blair donated and it turns out to be a ram pump; a water pump powered by gravity.

Respectfully submitted,

Jack Miner, Secretary
