8:00 AM – Meeting called to order by Mr. Cunningham.

8:05 AM - Setting the Municipal Tax Rate – Ms. Jones presented to the board the tax rate calculation sheet. Last year's tax was 46 cents. The grand list saw an increase of about \$31,000. This year's tax rate came out to 0.5099 and the board decided to add a penny to make it .51 cents for the municipal tax rate. Some of the increase were special line items that were voted at town meeting and that the highway had an increase for the Brook Road Project. In last year's town budget presentation, Mr. Ackland had presented to the voters an estimated projection of the what the tax rate could be. He had calculated it at \$52 cents for the municipal tax rate. For education, he had calculated the Non-residential at \$1.54 and the Homestead at \$1.64 not knowing for sure what the new unified school district would do.

Ms. Lisaius had the State Education rates as follows:

Non-residential Rate: \$1.558
Homestead Rate: \$1.573

2016 Rate: \$1.53
2016 Rate: \$1.56.

Motion by Mr. Youmell to set a municipal rate at .51 cents, second by Mr. Mays. All in Favor: VOTE: 3-0.

Other Business:

Purchasing of pallets of bricks left over from the Main Street Project: The board agreed to keep the extra pallets of bricks left over from the Main Street Project for repair and maintenance going forward as they were a special order color of Cocco.

Motion by Mr. Youmell to adjourn, second by Mr. Mays. All in Favor: 3-0.

Minutes Respectfully Submitted by,
