

**PUBLIC NOTICE
TOWN OF WARREN**

Pursuant to 24 VSA §1972, the Warren Select Board wishes to notify residents and visitors of the town of parking restrictions set forth in the Town of Warren Parking and Traffic Ordinance, Title II, Section II. These restrictions become especially important during **WINTER** weather when snow plows must be able to operate to maintain general and emergency traffic circulation. **Starting November 15, 2017-April 15, 2018.**

(A) Parking prohibited.

All parking of motor vehicles or other conveyances is prohibited between the hours of 12 o'clock midnight and 7 o'clock a.m. in the following locations:

- (1) On both sides of Town Highway (TH) #16 (West Hill Road) from its intersection with Route 100 to its intersection with TH #46 opposite the LaRock property.
- (2) On both sides of TH #4 (Main Street) between its north and south intersections with Route 100, except for an area on the east side of Main Street running from the northern lot line of the so-called Pitcher Inn Property to a point fifteen (15) feet northerly of Bridge #32 (known as "the cement bridge") located on Main Street in the center of Warren Village.
- (3) On both sides of TH #1 (Brook Road) from its intersection with Main Street to its intersection with TH #22 (Freeman Road—formerly known as the Dump Road).

(B) Removal of vehicles parked in violation.

Any motor vehicles or other conveyances parked on the streets and public property of the Town of Warren in violation of Title II, Section II (a) may be removed forthwith upon order of a law enforcement officer or official of the fire department who finds such action necessary for public safety or upon order of an official of the highway department who find it necessary for the proper plowing, maintenance or repair of said street or when water mains or pipes under said street require immediate removal of a conveyance. All cost of said removal and any expense incurred securing the conveyance shall be charged against its owner or the person responsible for that conveyance at the time removal is ordered. The conveyance shall not be released until all such costs have been paid.

(C) Removal of vehicles parked without authorization.

Whenever any motor vehicle or conveyance shall impede access to any public or private property within the Town of Warren, or be parked there without authorization of the owner or other person entitled to its use or possession, any police officer may order its removal. The owner of such vehicle shall pay any reasonable towing and storage charges, which charges shall be a lien on said vehicle.

(D) Stopping or parking on curb, hill, or highway.

Any motor vehicle or other conveyance parked or stopped on the streets or roads of the Town of Warren in violation of 23 V.S.A. §1101 or other applicable sections of Vermont Statutes Annotated may be removed under the same conditions as those described in (B) above.

The full text of the Parking and Traffic Ordinance is available for review at the Warren Town Clerk's Office.

WARREN BOARD OF SELECTMEN
Andrew Cunningham, Chairman
