**Minutes of January 11, 2022**

Warren Selectboard  
Warren Municipal Building  
VIA Zoom & In Person  
6:30 PM

**Members Present:** Luke Youmell, Vice Chair, Bob Ackland, Devon Klein Corrigan, Camilla Behn, Andrew Cunningham, Chair. (6:45PM)

**Others Present:** Jeff Campbell, John Malter, Ben VT 44/45, Lexi Leacock, Gene Bifano, Margo Wade, & Cindi Jones.

**6:30 PM** – Public Comment – None.

**6:42 PM – Review Mask Mandate as Required by the Legislature** – Selectboard – All the board members agreed to keep the Mask Mandate for another 30 days.

The Mask Mandate in place for another 30 days, seconded by Ms. Klein Corrigan.  
All in Favor: VOTE 4-0.

**Town Meeting Discussion** – The Board discussed in detail of ideas on how to do an in person or do the same as the previous year. Mr. Cunningham commented that the board could not make any decisions until the S172 Emergency Legislation is signed by the Governor. Idea's such as In Person, moving the meeting to late April or as last year hold informational meetings and taking questions about the budget prior to Town Meeting Day were all discussed and to vote all articles as the Town did in 2020. Ms. Behn commented that trying to hold a meeting via zoom would be complicated as you can't hear people clearly with their masks on and then controlling all the questions with people jumping in. Then there is the voting aspect of the articles. Some of the members want to have an in-person meeting as the budget is very high this year. Ms. Klein Corrigan commented that we could have it outside under a tent. If the meeting was moved to April a little less than ½ of the budget would be spent and if voted down adjustments would have to be made. Any new members of the Selectboard would not have the history of how the budget was crafted. The one critical key piece was if the Warren School would allow the Town to have the annual meeting there due to the pandemic spikes and then the sanitation of the school area used. The board deferred this until next meeting January 25, 2022.

**7:08 PM – Appointment of Chris Noone as an DRB Alternate** – The DRB presented a letter recommending Mr. Noone as a DRB Alternate. Ms. Klein Corrigan commented that he has unique qualifications, trustworthy and has good opinions. Mr. Cunningham commented that he has known Mr. Noone for many years as well and feels he would make a good DRB Alternate.

Motion by Ms. Klein Corrigan to appoint Mr. Noone to the DRB board as an alternate, seconded by Mr. Ackland. All in Favor: VOTE: 5-0.

**7:13 PM – Mad River Resource Management Alliance** – John Malter & Margo Wade – Mr. Malter presented to the board the 2022 budget for the Alliance. They were only able to have one Hazard Waste Collection Day in 2021. They had 359 participants, 10% were Warren residents and total collected was 10.19 Tons. They plan on holding two events in 2022. The spring event would be 4/2/2022 and the fall event would be 8/20/22.

Composting: Grow Compost was ½ sold to Cascella in 2021, and the Alliance Communities contributed 385 tons of food scraps.

Green Up Day 2021 – They received 239 tires with 22 coming from Warren about 9%, along with other car and pickup tires all contributing to 9.17 Tons of Waste.

Textile Collection – No charge for this service. There are collection boxes located at Cascella in Waitsfield and Rodney's Rubbish Removal in Waterbury. They take clothing, linens, shoes, belts, ties, throw rugs in these boxes which collected 6.82 tons collected.

Compost Bins – The Alliance sold 28 bins and 3 green cones. Mr. Malter hosts workshops on composting and there is a you tube video as well.

Changes in Assessments: The Alliance used the 2020 census data for the coming year. Due to only being able to hold one Hazard Waste event, they were able to keep the charge at \$7.00 for the per capita. Warren's increased due to more population to \$13,839 increased from \$11,935 in 2021. In the future the Alliance Towns can expect the per capita rate to increase from \$7.00 to \$8.00. A more detail budget and report are attached.

In closing Mr. Malter would like to Thank Margo Wade for her service to the Mad River Resource Management Alliance and is requesting the board to re-appoint her to the Alliance Board as Warren's Representative.

Motion by Mr. Ackland to accept the Mad River Resource Alliance Budget and re-appoint Ms. Wade to the Mad River Alliance Board as Warren's Representative, seconded by Mr. Youmell.  
All in Favor: VOTE: 5-0.

**7:45 PM – Traffic/Parking – Pitcher Inn/ Warren Store Employees** –Ms. Klein Corrigan brought up that there are parking congestion issues on Flat Iron/Main Street because some employees of the Pitcher Inn and Warren Store Park in the patron spaces. Some of the employees do use the Municipal Lot and the Park & Ride. There are a few that do not. Ms. Klein Corrigan commented that she will ask Ms. Robbins for all the Zoning Permits to see if they state any guidance about employee parking. The Pitcher Inn prior to its construction, did purchase spaces at the municipal lot that can be used for employees or guest over flow. Ms. Klein Corrigan will report back on her findings.

**7:51 PM – Approval of Minutes for December 28, 2021** – Motion by Mr. Youmell to approve the Minutes of December 28, 2021, seconded by Mr. Ackland. All in Favor: VOTE: 5-0.

**7:52 PM – Approval of Accounts Payable Warrants** – Motion by Mr. Ackland to approve the Accounts Payable Warrants as presented for \$71,705.36, seconded by Ms. Klein Corrigan.  
All in Favor: VOTE: 5-0.

**7:53 PM – Approval of Payroll Warrants** – Motion by Mr. Ackland to approve the Payroll Warrants as presented for \$33,600.93, seconded by Mr. Youmell. All in Favor: VOTE: 5-0.

**7:53 PM – Approval of Certificate of Highway Mileage** - Motion by Mr. Ackland to approve the Highway Certificate of Mileage, seconded by Mr. Youmell. All in Favor: VOTE: 5-0.

**7:55 PM** – Motion by Mr. Ackland to go into Executive Session to discuss Real Estate and invite Ms. Jones, seconded by Ms. Klein Corrigan. All in Favor: VOTE: 5-0.

**8:15 PM** – Motion by Mr. Ackland to come out of Executive Session, seconded by Mr. Youmell. All in Favor: VOTE: 5-0.

Motion by Mr. Ackland to explore and contact an engineer relative to The Town Garage not to exceed \$3,000, seconded by Mr. Klein Corrigan. All in Favor: VOTE: 5-0.

**8:20 PM** – Motion by Ms. Behn to go into Executive Session to discuss Personnel, second by Ms. Klein Corrigan. All in Favor: VOTE: 5-0.

**9:00 PM** - Motion by Mr. Youmell to come out of Executive Session, seconded by Mr. Ackland. All in Favor: 5-0.

No actions taken.

**9:03 PM** – Motion by Mr. Ackland to adjourn, seconded by Mr. Youmell. All in Favor: VOTE: 5-0.

Minutes Respectfully Submitted by,  
Cindi Jones, Warren Town Administrator

The Warren Selectboard

## **Mad River Resource Management Alliance**

P.O. Box 210, Waterbury Center VT 05677

(802) 244-7373 / fax (802) 244-7570

January 8, 2022

The Mad River Resource Management Alliance (MRRMA) includes the Towns of Fayston, Moretown, Waitsfield, Warren and Waterbury. The Alliance was formed through an Interlocal Agreement that began in 1994. We changed our name in 2008 to reflect the fact that we are managing resources not wastes.

2021 continued to be another challenging year for the MRRMA. Due to lack of personnel driven by the ongoing pandemic the Alliance cancelled our Fall Household Hazardous Waste Collection Day event at the Harwood Union High School in Duxbury. Our Spring event was held on May 8. A total of 359 households participated in this event. We collected 10.19 tons of household hazardous waste at the event. Residents within the Alliance communities were able to bring all their architectural paints, waste pesticides, alkaline batteries and up to 10 additional gallons of hazardous waste to each event for disposal at no charge. The Alliance will swap your mercury fever thermometer for a digital thermometer at no charge at these events. Bring your mercury thermostats to the Household Hazardous Waste Collection and you will receive a coupon that can be redeemed for a \$5.00 rebate by the Thermostat Recycling Corporation which will process the thermostats. Residents can also bring all their compact fluorescent lamps (CFLs) and up to ten or fewer non-CFL general purpose mercury containing lamps at no charge. We are planning two collection day events in 2022, at Harwood Union High School. They are scheduled for April 2 and August 20, 2022. We will be working with a new contractor and there will be some changes in our collection program.

A total of 170 gallons of used crankcase oil was collected within the Alliance at our Used Oil Collection Tank during 2021. The tank is located in Waitsfield at the Earthwise Transfer Station.

In 2021 the MRRMA initiated the collection of textiles at Rodney's Rubbish Transfer Station and the Earthwise Transfer Station. The company Helpsy takes clothing, footwear, linens, and accessories in any condition that are clean, dry and odorless at no charge. A total of 6.82 tons of textiles were collected in 2021.

Grow Compost of Vermont in Moretown and Casella collected food scraps and food processing residuals from the Washington West Supervisory Union waste streams, from other large generators in the MRRMA and in collection totes at the Moretown facility. A total of ~384 tons of food scraps were collected by Grow Compost of Vermont and Casella in 2021 in the MRRMA. Visit our web site at [madriverrma.org](http://madriverrma.org). You will find information on solid waste issues on this web site.

The twenty fifth truckload sale of compost bins resulted in the distribution of 28 compost bins and 3 Green Cones. It is estimated that each compost bin can compost 650 pounds of garden and kitchen waste annually. This means rich soil to add to your garden and less waste to go to the landfill. We held two composting workshops for Alliance residents this year and expect to hold more in 2022. The Alliance held a car and pickup truck tire and metal collection event at the Earthwise Transfer Station in conjunction with Green Up Day on May 1, 2021. A total of 9.17 tons of tires and a ton of metal were collected during this event. We are planning to hold a spring tire and metal collection in conjunction with Green Up Day on May 7, 2022.

Alliance residents can bring their mixed paper, glass bottles and jars, metal cans and plastics #1 through #7, except for plastic film wrap, plastic bags, black plastic and beaded styrofoam for single stream recycling to the Earthwise Transfer Station and Rodney's Rubbish Transfer Station and Redemption Center. There are also local haulers and Saturday Fast Trash Collections available in the Mad River Resource Management Alliance. Currently the recyclables are taken to the Chittenden County Materials Recovery Facility for processing. Due to market conditions there is a charge for collecting and processing recyclables. Computers, printers, monitors and televisions can be recycled at no charge at the Earthwise Transfer Station or the State Surplus Property Office on Route 2 in Waterbury. Other e-waste can be brought to the State Surplus Property facility in Waterbury and recycled at a small per pound fee. During 2021, 27.56 tons of e-waste was collected. Additional information on this program is found on our web site. The Alliance is a member of the Northeast Resource Recovery Association which helps us market some recyclable commodities such as tires, propane cylinders other materials and assists with educational programs. The Alliance is also a member of the Product Stewardship Institute (PSI). As a stakeholder in the PSI we work with other entities to reduce the environmental and health impacts of a variety of consumer products. This is accomplished by looking at the life cycle impacts of products and their packaging. Things like energy and materials consumption, emissions during manufacturing, toxicity, worker safety and waste disposal are among the issues reviewed. The objective of product stewardship is to rethink the way things are created in order to have more sustainable products in the future. We are also a member of the Vermont Product Stewardship Council which provides a local focus on legislative initiatives and other stewardship issues.

Our Solid Waste Implementation Plan(SWIP) is updated every five years. The update is available for review at our website, [madriverrma.org](http://madriverrma.org).

Backyard burning of trash is illegal and causes air pollution problems. Be a good neighbor and don't burn trash. If you know of any illegal dumping sites within your town that would benefit from an Adopt a Site Program give John Malter, Alliance Administrator a call at 244-7373 and let's see what we can do to help eliminate these types of problems together. The FY22 assessment for the administration and programs remains at \$7.00 per capita.

The representatives of the Alliance include: Fayston, Chuck Martel; Moretown, Jonathan Siegel; Waitsfield, Sal Spinosa; Warren, Margo Wade; Waterbury, Alec Tuscany and John Malter from Waterbury is the Administrator for the Alliance.

## **TOWN OF WARREN, VERMONT**

### **RULE REQUIRING WEARING FACE COVERINGS INDOORS IN PUBLIC SPACES**

#### **Section 1. Authority.**

This Rule is adopted by the Selectboard of the Town of Warren under authority of Act 1, an act relating to temporary municipal rules in response to COVID-19 (2021).

#### **Section 2. Purpose.**

The purpose of this Rule is to require all individuals to wear face coverings while indoors at locations that are open to the public in order to prevent and mitigate the spread of COVID-19 and protect the public health and safety of the Town of Warren.

#### **Section 3. Requirement to Wear Face Coverings.**

All individuals in the Town of Warren shall wear face coverings while indoors at locations that are open to the public.

#### **Section 4. Exceptions.**

Face coverings are not required for:

- children under 2 years
- A person with a disability who cannot wear a face covering or cannot safely wear a face covering for reasons related to the disability
- A person for whom wearing a face covering would create a risk to workplace health, safety, or job duty as determined by the workplace risk assessment
- Any person while eating or drinking inside any establishment that serves food or beverage

#### **Section 5. Other Laws.**

This Rule is in addition to all other ordinances and rules of the Town of Warren and all applicable laws of the State of Vermont. All ordinances, rules, or parts of ordinances, rules, resolutions, regulations, or other documents inconsistent with the provisions of this Rule are hereby repealed to the extent of such inconsistency.

#### **Section 6. Severability.**

If any section or provision of this Rule is held by a court of competent jurisdiction to be invalid, such finding shall not invalidate any other part of this Rule.

#### **Section 7. Effective Period.**

This Rule shall take effect immediately upon the approval by the Selectboard and shall remain in effect for a period not to exceed 45 days following its initial adoption. The Selectboard shall meet during the 45-day period in which this initial Rule is in effect and vote either to rescind this

Rule or to extend it for an additional 30 days. Thereafter, the Selectboard shall meet at a minimum once every 30 days to reconsider this Rule, at which meeting the Selectboard shall vote either to rescind this Rule or to extend it for an additional 30-day period. The filing of a petition under 24 V.S.A. §§ 1972 and 1973, shall not govern the taking effect of this Rule.

**ADOPTED by the Selectboard of the Town of Warren at its meeting on this 30 day of November, 2021.**

## Vermont Vaccination Data

Overall Statewide By County By County - Additional

Updated 01/11/2022 9:09 AM

### Doses administered

Type	Doses	% of total
J&J	47.6K	4%
Moderna	467.0K	39%
Pfizer	694.6K	57%
Unknown/Other	1.1K	0%

Doses administered reflects the total number of doses that have been given to people in Vermont, or were reported to Vermont. For example, we may receive the report of a Vermont resident who was vaccinated in New Hampshire at the Dartmouth-Hitchcock Medical Center.

Source: Vermont Immunization Registry

### CDC metrics

**97.6%** of Vermonters Age 12+ have received at least one dose

**538.0K** Vermonters Age 12+ have received at least one dose

**84.8%** of Vermonters 12+ have completed vaccination

CDC data include some information not reported to the Vermont Department of Health. As a result, these estimates may differ from those reported elsewhere in the dashboard.

### Data notes

Statewide numbers and percentages are capped at 100%. To protect the identity of individuals, data is suppressed when there are fewer than six people vaccinated in a subgroup.

Race information is not reported for 2% of people vaccinated.

Race/ethnicity information is not reported for 4% of people vaccinated.

Ethnicity information is not reported for 4% of people vaccinated.

BIPOC refers to Black, Indigenous, and people of color.

Sex information is not reported for 557 people vaccinated. The categorization of male/female for some people is based on sex assignment at birth, while for others, it is based on gender. This is due to the varying sources and ways the information is reported.

Sex not reported may mean the provider did not collect that information, the patient did not provide it, or the provider or the patient selected a category other than male or female.

Data on this page is sourced from the Vermont Immunization Registry and therefore may differ from data reported by the CDC.
