Mr. Donaldson called the meeting to order at 7:36 pm.

A few housekeeping items were considered first: one being a request for Mr. Sellers & Company to attend the next meeting for an update on their work on the Town Garage project and second, a reminder that the next meeting is on TUESDAY October 10th, not the usual Monday.

The rest of the meeting was consumed by working on the plans for the Town Municipal Facilities Master Plan Design Charrette that is to be held on Saturday November 4th. The Commissioners discussed how best to utilize the recent study done by Lyssa Papazian on the historic buildings in Warren and the limited feedback they received from the Select Board. The participants' list was reviewed, as was the proposed timeframe on the agenda, food, supplies, and materials for the background information for the participants.

The minutes from the September 11th meeting were signed, Mr. Donaldson gave a brief update from the Affordable Housing Committee, and Mr. Malboeuf spoke about the application for expanding the Post Office and his presentation of Impact Fees to the Select Board. Due to the hour, time was not spent on the Zoning District review listed on the agenda.

Ms. Miserendino noted that she would be unavailable for the October 10th meeting, and Don LaHaye said he would be out of town for the October 23rd meeting. An additional meeting was added for Monday October 30th for any last minute work to be done for the Charrette.

The meeting was adjourned at 9:57 pm.

Respectfully submitted,
