

## Warren Cemetery Commission Meeting May 31, 2023

### Minutes

Present: Charlie Snow, Michele Eid, Jeff Campbell, Camilla Behn

Called to Order 5:25 PM

5:25 PM- Walked property lines of easement from Brooks at North end of Village Cemetery

Need hydroseeding of pond bank closest to Northern end in order to stabilize and make sure we do not have another failure. Charlie will arrange for this.

5:38 PM- Exec Session to discuss legal advice.

5:54 PM- adjourn Exec Session

Charlie needs helper(s) for work in the cemetery on a variety of tasks. Michele will place an ad on Front Porch Forum

Charlie is working on getting an estimate for replacement of split rail fence in upper part of Village Cemetery along the Northerly boundary line as the existing ones are rotting. One of the rails went missing suddenly last week and is nowhere to be found.

Flowers planted in Village Cemetery before Memorial Day weekend, but we still need three geraniums for monument and another barrel to plant. Camilla will get these.

Charlie placed flags on all military and all firefighters' graves before Memorial Day. Got some new holders and is replacing them as needed.

Charlie is working on plans to get storage shed moved uphill in order to widen the road for better truck access to upper part of cemetery.

Michele reminded everyone to submit receipts for reimbursement of any personal expenses.
