Application #2005-24-CU submitted by James "B'fer" Roth and Dana Jinkins for a Conditional Use request for a reduction of the side yard setback for a proposed detached garage. The property is located at 124 Vickery Hill Road, parcel ID # 003003-200 in the Rural Residential District. This request requires review under *Article 5.3 Conditional Use Review*

A duly warned hearing took place on Wednesday June 8, 2005. Others in attendance were: James Roth, William Robinson, Miron Malboeuf, and Ruth Robbins.

FINDINGS OF FACT AND CONCLUSIONS OF LAW:

1. The applicant submitted a completed application, proof of abutter notification and a sketch plan.
2. The proposed garage is located as close to the main dwelling as possible putting the back corner of the garage at 17'6" from the property line, maximizing the 30% reduction allowed in the set back requirement.
3. The measurement will be made form the edge of the overhang, not the foundation.
4. The garage will be consistent in design and color with the main dwelling.
5. The garage will be wired for electricity but will have no plumbing
6. The proposed site is where a preexisting shed stood, in an area with a slope less than 15% and no clearing will be required.
