Mr. Ketchel called the meeting to order at 7:35 pm.

The Commission members reviewed the draft of the MPG application and listened to Mr. Malboeuf describe how he thought the proposed forum might be organized. Several suggestions were made and the Commission agreed to submit the application with the changes as discussed.

The members then spent some time reviewing the photographs in the Town Plan and made recommendations to update and change some of the pictures. Mr. Klofach, Mr. Ketchel and Mr. Malboeuf all volunteered to supply the new photos. The next goal is to see at least a draft of the updates to the Town Plan at the next meeting.

The members reviewed and signed the minutes from the previous meeting. In other business, Mr. Sanford reported that the Steering Committee discussed ways that the three valley towns could strengthen their relationship to one another and one way discussed was to reference their relationship in their respective Town Plans. They also continued the discussion about law enforcement issues in the valley. Mr. LaHaye reported that Regional was concerned about the possible changes coming from the legislature. Chances are that MPGs would disappear and that the regional districts would shrink from twelve to nine.

Mr. Ketchel adjourned the meeting at 8:57 pm. The next scheduled meeting of the Planning Commission is for Monday May 10<sup>th</sup> at 7:30pm.

Respectfully Submitted,

Ruth V. Robbins
