SARDI #2021-02-SD-BLA Reaffirmation of #2006-09-SD & #2006-17-SD-BLA

Application #2021-02-SD-BLA: Re-affirmation/re-approval of previously approved application #2006-07-SD, a 4-lot Subdivision, and a subsequent Boundary Line Adjustment to Lot 4 of that subdivision, #2006-17-SD-BLA, whereas it was recently discovered that the Mylar was filed 2 days beyond the required date and that the resulting acreage after the boundary line adjustment was incorrect. A new Mylar has been done with the correct information. The property is located at 2255 West Hill Road, parcel ID # 016004-600 in the Rural Residential District

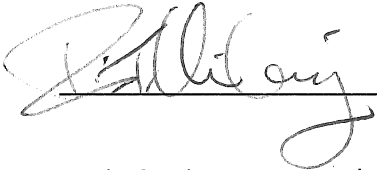

On Monday February 15, 2021, the DRB reviewed the findings and decision of the previous Board approved subdivision and boundary line adjustment recorded in the land records on November 16, 2006, Vol 185, pg. 234-236 & December 22, 2006, Vol 186, pg. 356-357, and found that there have been no changes in the governing Regulations and no change in any relevant facts or conditions. They hereby reapproved the previous findings and conclusions for the 4-lot subdivision and boundary line adjustment. They also approved the corrected mylar.
