Development Review Board
Re-Approval
Subdivision Review
#2006-13-SD Sugarbush Holdings**

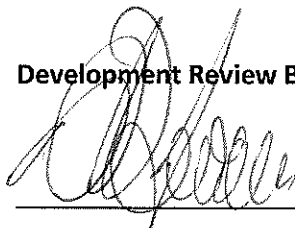

On January 17, 2007 the DRB approved a 4-lot subdivision of approx. five acres located in the Vacation Residential District off of the Sugarbush Access Road, parcel id # 005008-200. Though the required final plat was delivered to the Town Clerk's office within the 180 day requirement, it was not reviewed and signed by the DRB in time for it to be officially recorded within 180 days.

On Monday February 29, 2016, the DRB held a duly warned hearing attended by DRB members: Don Swain, Jeff Schoellkopf, Virginia Roth and Chris Behn.

And others also attending were: David Olenick, Miron Malboeuf and Ruth Robbins.

At the hearing the Board reviewed the decision of January 17th, 2007 and affirmed that there have been no substantive changes that would adversely affect the decision. They hereby re-approve their previous findings and conclusions for the 4-lot subdivision. At the same time they reviewed and signed the previously recorded plat.
