#2016-15-SD Taplin 2-lot Subdivision

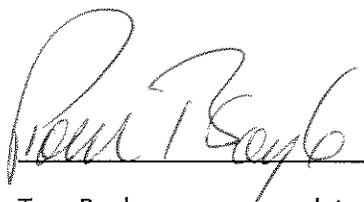

On Monday February 29, 2016 the DRB heard and verbally approved a 2lot subdivision for Charles and Nancy Taplin for a parcel they own at 384 Dimetro Road, id # 038000-800. The decision was signed by two of the four members sitting at the hearing on April 18<sup>th</sup> and a third members signed on May 15<sup>th</sup>. The mylar that had been submitted was partially signed on April 18<sup>th</sup> and the second signature was not made as it was discovered that there was a flaw in the mylar.

On Monday June 20, 2016 three DRB members reviewed the findings and decision of the previous Board members and found that there have been no substantive changes that would adversely affect or alter the decision. They hereby re-approved the previous findings and conclusions for the 2-lot subdivision. They also reviewed a corrected mylar and found that it was satisfactory.
