

**Town of Warren
Planning Commission
Public Hearing Notice**

Notice is hereby given that pursuant to 24 V.S.A § 4384, the Warren Planning Commission will hold a public hearing on **Monday April 14, 2025, at 7:00 pm in the Warren Municipal Building**. The purpose of the hearing is to receive public comments on the revised/updated Land Use and Development Regulations [LUDRs] for the Town of Warren.

The full text of the proposed plan [LUDRs] including the Planning Commission Report, are available for review online at www.warrenvt.org and the Municipal Building. The Warren LUDRs are being updated and re-adopted to comply with state statute, simplifying the permitting process for appropriate development, protecting rural character and natural resources, directing development to designated growth centers and implementing the goals and policies of the 2019 Warren Town Plan. Much of the current LUDR content is carried forward with reorganization rather than being completely reimagined.

Dated this 14th day of March 2025.
