Central Vermont Regional Planning Commission

Notice of Public Hearing

The Central Vermont Regional Planning Commission is considering making an application to the State of Vermont for an CDBG Disaster Recovery Implementation Grant under the Vermont Community Development Program. A public hearing will be held at **5:30 PM on 9/24/25** at the Central Vermont Regional Planning Commission office, 29 Main Street, Suite 4, Montpelier, VT, to obtain the views of citizens on community development, to furnish information concerning the amount of funds available and the range of community development activities that may be undertaken under this program, the impact to any historic and archaeological resources that may be affected by the proposed project, and to give affected citizens the opportunity to examine the proposed statement of projected use of these funds. The proposal is to apply for $2.5 million in CDBG-DR funds which will be used to accomplish the following activities.

This project would be to install a state-of-the-art emergency communications system that incorporates: P25 digital radio technology - trunking and LTE capabilities - redundancy and resiliency features. This funding will directly support: Modernization of the16-site microwave network with all associated necessary equipment at tower locations; this includes replacing and updating all necessary equipment with a focus on redundancy and resiliency of these towers.

Remote participation also available via Zoom
